## WORK EXPERIENCE

### Geek Squad Manager
**Best Buy**

*09/2020 - 07/2023*                                    *Dublin, OH*

*Achievements/Tasks*

- Lead and trained the district as well as store teams, equipping them with the knowledge and skills needed to achieve goals and targeted metrics.
- Provided client education and support regarding company policies when issues arose like delivery or inadequate service. I Reported directly to the Market Director.
- Managed a large $85 million store, running every part of the business'.

*Contact : Jason Bucher  - 614-406-8587*

### Project Deployment Manager
**Best Buy**

*10/2011 - 09/2020*                                    *Minneapolis, MN*

*Achievements/Tasks*

- Traveled the United States managing multimillion dollar remodels. Organizing electricians, contractors, flooring, paint, etc. to hit target dates and goals. Also developed and a team of direct reports.
- Organized IT server installs, comm-room refacing, and other data related work. I was added to numerous "pilot" projects to roll them out and build the SOP the company would use.
- Used an assortment of project related software, AutoDesk, Projectmates, SharePoint and many more.

*Contact : Jay Nichols  - 380-222-1961*
